

SHANDONG DOUST TYRE CO.,LTD

DO OUR BEST GRADE A QUALITY

Our motto is to do our best to produce the steady high quality tyres and tubes, and to do the long-term win-win business, we believe our high quality tyres and tubes will help you get more orders from more customers from more markets.

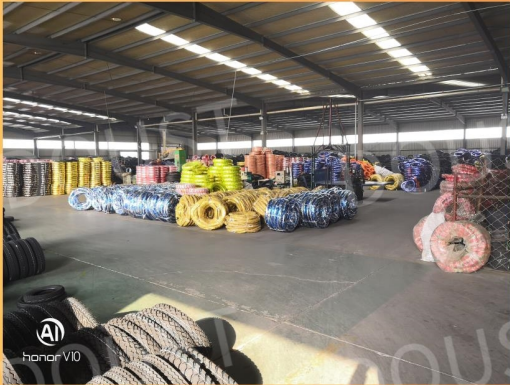

Steady high quality tyre and tube, your best choice.

--Quality,Reliability,Durability,fast delivery

Committed To High Quality and Stability

DUT RUBBER TECHNOLOGY

SHANDONG DOUST TYRE CO., LTD. It is located at Guangrao County, Our county is called as “tyre base” or “tyre city” .

Established in 1995, our company is a tire manufacturer specializing in motorcycle tires and tubes. Our factory is manned with 300 staff members and engineers. Our production capacity is 6000pcs/day of motorcycle tyres, 60000pcs/day of motorcycle tubes.

We are a professional manufacturer of motorcycle tyres and tubes with a history of 22 years.

10 years ago, we introduced motorcycle tyre production line, and the high-cost , high-advanced fully-automatic machines and equipments based on strong finance. So our target is supplying high quality motorcycle tyres and tubes for high-end users, especially from Africa and South America,East Europe. We strictly manage our working staff and control quality. We gain a favorable fame with steady high quality.

Our brand include DOUST(DUT), PEAKANDO, SAKODO. Our tyres and tubes are very popular and have been exported to Africa, Middle East, South Asia, Southeast Asia and South America by ourselves or trading companies.

We are looking for agents and cooperators from all over the world. We sincerely welcome you to visit us.
